Words are a powerful tool and need to be treated with love and care.
I know what I am talking about: I have been interpreting, translating and creating words from scratches for the past three years

You can entrust me your words & ideas and feel peace of mind, for I will handle them with attention, passion & flair.

If you need to overcome the language barrier and want a communicative strategy crafted for your audience, ask me to choose the words for you.

You get

- A qualified language professional to support you in meeting your communication needs
- A help to reach your business goals in the Italian market
- A committed, enthusiast expert to ensure your message is relevant to your public
- A team player who understands you and your audience

I am

Curious

Communicative

Creative

They say

"Great translations, timely delivery and pleasant to work with. I would recommend Giulia to anyone looking for high-quality translation services into Italian"

Localisation Coordinator for a wellness brand

"Giulia has outstanding communication skills and is able to produce texts that are fluent, catchy and relevant to the Italian market"

Community Manager, social media management company

"We found in Giulia a thoroughly accurate and meticulous professional. She works well even against tight deadlines and we really appreciate all the comments and explanations she sends along with every translation.

We absolutely recommend her for both interpreting and translation services"

Directors, start-up in the food industry
